

Updates and training London 2019

Welcome to our latest training programme for charities and social enterprises. All of our seminars and training sessions are free to Sayer Vincent clients. Non clients can attend for a fee of £75 plus VAT for half day seminars and £150 plus VAT for full day training courses.

Sayer Vincent are experienced trainers and run courses for many organisations in the not-for-profit sector. With over 30 years' experience in the charity sector, we have practical knowledge of the issues you face. We also provide external audit, internal audit and advice services to charities, schools, arts organisations and social enterprises, using a collaborative and user-friendly approach.

USAID Recipient Training Course

London 9-11 January

Significant changes in the rules and regulations set by the US Government in July 2017 are now applicable if your charity is a recipient of USAID funding. Attend our training course to receive up to date information for implementing the new rules and approach your 'Yellow Book' audit with confidence.

Technical Update

London 31 January & 8 October

We will deliver a comprehensive summary of key updates and changes in the law that will have an impact on the charity sector. We'll cover VAT, tax, financial reporting, SORP, governance and other issues relevant to charity finance professionals. The event is a one-stop-shop for your CPD.

Preparing charity accounts

London 13 February & 16 October

This full-day workshop provides participants with an overview of charity accounting, the key stages in drafting a set of year-end accounts and tips on how to prepare for the audit. The workshop is aimed at finance staff who may be new to an organisation or the sector, or those who need a refresher. The workshop will include an opportunity for questions as well as case studies and practical exercises and will be based on preparing accounts in accordance with SORP 2015.

VAT made simple

London 13 March

Attendees will be given a brief overview of charity areas such as non-business activities and the VAT status of various types of income such as grants, contracts, selling donated goods, fundraising events and sponsorship. We will also explain when you need to register for VAT and how to recover VAT on costs once you are registered.

Reading charity accounts

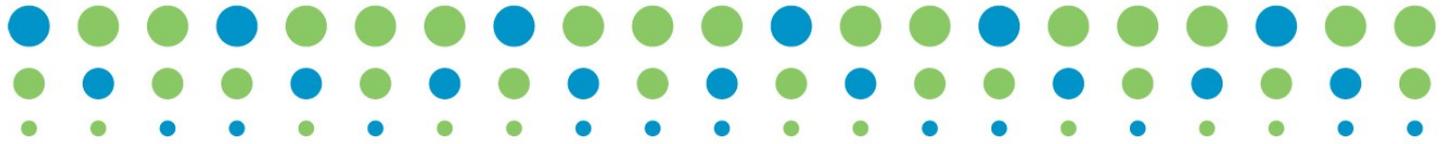

London 8 May

This seminar will help participants better understand the key principles of financial management and in particular the skills to read a set of accounts and understand the financial position of an organisation. We will discuss key accounting principles, key terminology and provide useful resources for future reference.

Financial sustainability

London 6 June

Thinking longer term to ensure that your organisation has the right business models and financial strategies to put the strategic plan into operation. We also look at reserves; the purpose of holding reserves and reserves policies, and what a balance sheet can tell you. Linking all of this together, we consider how you can develop appropriate responses to risks, and think about how this links in with your overall and financial strategies.

VAT and Gift Aid on fundraising for charities

London 6 November

Getting the best deal for VAT and Gift Aid may help you to increase your fundraising income. This session will look at practical aspects of managing the tax and VAT aspects of events and other fundraising methods such as membership schemes.

How to be a good trustee

London 7 November

This session is ideal as an induction for new trustees or a refresher for existing trustees, we will cover the role of the individual trustee within the governance structure and the nature of collective responsibility. The session will also update attendees on the latest governance developments and will contain a mix of presentation as well as structured discussion to discuss issues around the trustee role.
