

Charity Commission Guidance for the charity sector

Published by the Charity Commission on 19 March 2020, last updated 7 April 2020. Includes guidance on: helping with the coronavirus effort, using reserves and restricted funds, holding AGMs and other meetings, reporting serious incidents and keeping people safe. Trustees should record any decision to cancel or postpone AGMs and other critical meetings. Charities should record any decision to hold meetings virtually or via conference calls. Where the situation impacts on the completion of annual returns and accounts, charities with an imminent filing date should call the Charity Commission
