

Protection from eviction for commercial tenants

Published by the Ministry of Housing, Communities & Local Government, Department for Business, Energy & Industrial Strategy on 23 March 2020. Commercial tenants who cannot pay their rent because of COVID-19 will be protected from eviction. No business will automatically forfeit their lease and be forced out of their premises if they miss a payment up until 30 June. There is an option for the government to extend this period if needed.
